

Hospitality Rider

Atole Loco are seven musicians, with eventually an additional accompanying person (driver, sound technician). We require parking places for our 3 cars in the vicinity of the venue and possibly also near the accommodation. If you have any questions, feel free to contact us.

Backstage:

Each musician needs 1 liter of still water on the stage.

The band also gets free soft drinks and beer.

We would be grateful if you could provide fresh towels for every musician.

Meals:

We welcome real/healthy food, salads and fruit.

Accommodation:

We need 7 single rooms, or 3 double rooms + 1 single room in a good hotel, which is nearby. Bandapartments are possible if clean and comfortable.

Many thanks!
